DETAILED ACTION

This communication is in response to Applicant's amendment filed on 05/28/2004.

Response to Amendment

The reply filed on 05/28/2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

1. Claim 7 is labeled as "Previously presented," when in fact it should be labeled "Currently amended," in that the word "pre-existing" replaces "one or more."
2. Claim 9 is labeled as "Previously presented," when in fact it should be labeled "Currently amended," in that the word "pre-existing" replaces "underlying."
3. Claim 12 is labeled as "previously presented," when in fact it should be labeled "Currently amended," in that the word "pre-existing" replaces "underlying."
4. Applicant has failed to argue that new Claims 24-50 overcome the prior art in any way.

In that the applicant's has extensively argued that pre-existence of underlying securities distinguishes the current application from the prior art, omissions 1-3 are particularly important. See 37 CFR 1.111.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
